To the best of my knowledge, the information I have given on the application is correct and I meet all of the minimum standards for inclusion on the Child Care Choices registry. I further give my permission to allow Child Care Choices to share this information with persons requesting it. I understand that any false information or failure to meet the requirements would be grounds for immediate termination of my registration, and any parent using my services may be notified. I understand that it is the responsibility of the parents to verify all information, contact references, and make their decisions about placing their child in my child day care home. I do give my permission to allow Child Care Choices and the parents using the registry to verify any information on this form, including, but not limited to, checking with references, the Department of Human Services (Welfare), a police check, or a site visitation.

COMPLAINT POLICY: Should there be a complaint against a child care provider, this is the policy that will be followed. This document is shared with parents and providers under many circumstances within CCR&R services:

Child Care Choices is not a regulatory agency, but we believe it is important to support the quality of child care in the community by maintaining an effective system for documenting and responding to complaints.

Child Care Choices will accept complaints in oral or written form, by telephone, 667-1799, 773-9944, or toll free at 1-866-966-1799; by fax at (937) 667-0819. We will take complaints from parents or other concerned individuals regarding child care providers included on our registry list. Complaints will be recorded and handled in a confidential manner according to established procedures. We will accept anonymous complaints.

Child Care Choices staff will notify licensing and/or child abuse and neglect authorities when appropriate. We encourage the caller to report to the proper authorities also when the circumstances of the complaint dictate additional intervention.

I have read and understand Child Care Choices' complaint policy regarding child care providers.
