

## “The Roaring 20th” with Child Care Choices

The 2007 Benefit & Auction was held at Edison Community College in Piqua and once again the committee outdid itself and the entire event was enormously successful.

“The Roaring 20th” raised over \$22,700 for the organization, and increased the general awareness of Child Care Choices and its many services.

The funds generated by the fundraiser were used to:

- Make hundreds of referrals to families needing child care
- Partially fund 56 workshops for 1224 Home Child Care Providers and Day Care Center personnel
- Help fund the recruitment of 11 new home childcare providers
- Help fund Story Lady visits to child care homes and centers
- Allow us to distribute over 2,200 books to providers and children

The annual benefit & auction would not be a success without the hundreds of volunteer hours that go into putting it together, as well as the generous support of local individuals and businesses. We sincerely appreciate every person who helps make the event the huge success it is every year.

*Child Care Choices believes parents are best able to evaluate and choose childcare for their children. Responsibility for selecting and employing a childcare provider rests with each parent. Child Care Choices does not monitor the quality, nor does it recommend the providers listed with the service. . Parents are urged to interview carefully and check all references before leaving a child in care.*

# Child Care Choices

“Your Link to Community Child Care”

## 2007 Report to the Community

### Mission Statement

**Child Care Choices links those needing child care with providers giving care in Miami County and surrounding areas. We provide child care information, training, and support for families and child care providers to help them give the best possible child care.**

## Child Care Choices Serves Miami County and Surrounding Communities

In 2007 Child Care Choices helped 451 families find child care for 712 children. We are finding an increased need for part time child care due to parents working different shifts, single parent families and families being affected by welfare reform.

Child Care Choices offers families ongoing support through parenting newsletters, follow-up calls and phone counseling about child care concerns.

Child Care Choices offers parents information on choosing quality child care with each list of child care referrals, plus additional information relevant to the age of the children needing care. We also send a children's book and suggested activities to encourage parents to read daily to their children.

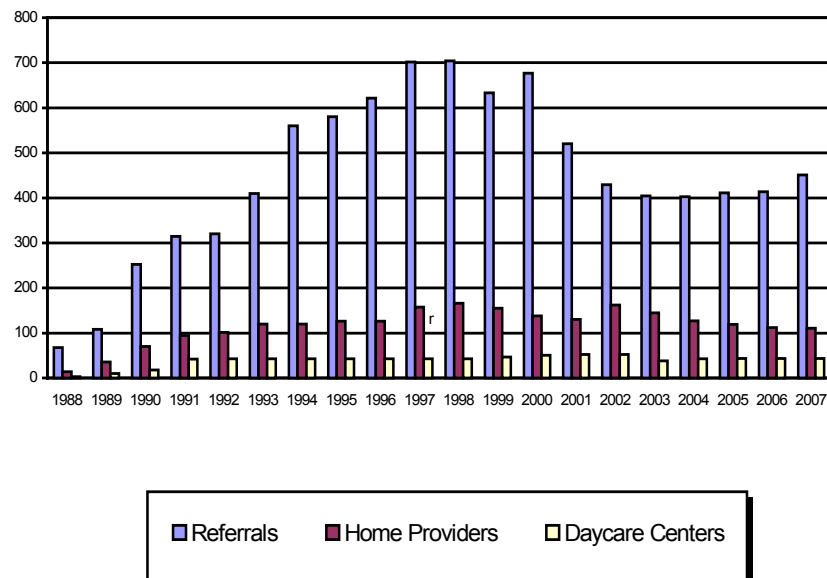

## Child Care Choices supports child care centers and home child care providers. . .

Child Care Choices' registered providers and center staff members receive support from Child Care Choices through telephone counseling, a quarterly newsletter and workshop training sessions. The Child Care Choices "Partners in Parenting" newsletter offers helpful information to providers to share with the parents of children in their care.

Child Care Choices also gives each new home child care provider a start-up kit and a "technical assistance" visit as part of the registration process. These visits are free of charge and give the provider the chance to talk about specific issues of concern to them, ask questions and gain new ideas and insights from a childcare professional.

Child Care Choices believes that well-trained child care providers offer better quality child care and encourages all registered providers to attend as many of the Child Care Choices workshops as possible.

## Services Offered by Child Care Choices

## Training! Training! Training!

Research has shown that well-trained child care providers offer better quality child care. Child Care Choices offered 56 training workshops in 2007 with topics ranging from the basics in the Health and Safety in Family Day Care training curriculum to child development, creative activities and other topics.

Child Care Choices collaborated with the Miami County Consortium to present "Boy Oh Boy" featuring Dr. Margaret King. Childcare providers are also given opportunities to learn fun, creative and inexpensive ways to provide a good, quality active learning environment for the children in their care. The CCC Story Lady comes into homes and centers to read to children, sing songs, and present a creative activity. This provides an educational and fun experience for the children, as well as an individual training for the provider. The provider is able to observe a master teacher speaking, reading, and interacting with children.
