

COTTON BALL CLOUDS

MATERIALS:

cotton balls
white glue
pencil
paper
crayons
sand, grass, pine needles, leaves, bark (optional)

PROCESS:

1. Observe the clouds in the sky.
2. Draw cloud shapes onto paper.
3. Glue cotton balls onto the cloud shapes, pulling cotton into thin and wispy shapes or into fluffy and thick shapes.
4. Let dry.
5. Use crayons to add to your creations, if desired.

VARIATIONS:

1. Try making a grassy field by observing a field and using grasses.
2. Try making a sandy beach using sand.
3. Try making the "woods" by using pieces of dry bark, pine needles, and leaves from trees.
4. Use cotton balls to create a snow, fog, or cotton candy design.
